**DECLARATION BY STEPHEN A. TERRILE SETTING FORTH FACTS IN
CONNECTION WITH AN INVENTOR WHO WAS UNABLE TO BE
LOCATED TO SIGN THE DECLARATION**

This declaration is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the inventor refusing to join in the above-identified patent application before deposit thereof in the Patent and Trademark Office.

This declaration is being made by the available person having knowledge of the facts recited therein.

I. IDENTIFICATION OF PERSON MAKING THIS DECLARATION OF FACTS

Stephen A. Terrile
Name of declarant
P.O. Box 203518
Address of declarant
Austin, Texas 78720

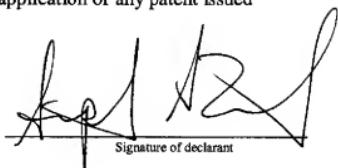

II. LAST KNOWN ADDRESS OF THE OMITTED INVENTOR

David Edward Evans
Full name of omitted inventor
19 Harthill Close, Kingsmead
Last known address of omitted inventor

III. DETAILS OF ATTEMPTS TO LOCATE INVENTOR TO SIGN APPLICATION PAPERS

- (1) I am an attorney representing International Business Machine Corporation, assignee of the above-mentioned patent application.
- (2) Attached as Exhibit A is a declaration naming David E. Evans as the sole inventor and executed by Mark Cox, David Evans' former manager, on behalf of Evans.
- (3) Attached as Exhibit B is a copy of the Employment Agreement between David E. Evans and International Business Machine Corporation showing that International Business Machine Corporation has proprietary interest in the application.
- (4) It is respectfully submitted that not affording the above-identified application status under 37 CFR 1.47(b) will likely result in abandonment of the above-identified application. Accordingly, affording status under 37 CFR 1.47(b) is necessary to preserve the rights of International Business Machine Corporation in the above-identified patent application

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

**Confidential Information,
Copyright and Invention Agreement**

In consideration of my employment by IBM I agree as follows:

- 1 "IBM" includes International Business Machines Corporation of Armonk, New York, and any of its subsidiaries within the meaning of Section 736 of the Companies Act 1985.
- 2 I will not disclose to anyone outside IBM or use in other than IBM's business any information confidential to IBM or any information received by IBM in confidence from any other party, either during my employment or afterwards, except with IBM's approval. Information is confidential to IBM if it relates to the business, research or product development of IBM, or results from work performed by me in the course of my employment, which has not been made available generally to the public.
- 3 I will deliver to IBM on termination of my employment all material created or possessed by me relating to IBM work.
- 4 I will not disclose to IBM any information regarded as confidential by any other party.
- 5 If in the course of my employment by IBM, either alone or with others, I create any literary or artistic work (including any computer programme) or any work in which a topography, mask work or design right exists, IBM will own any copyright and other rights in such work in accordance with law and I waive any moral rights I may have in such work.
- 6 If in the course of my employment by IBM, either alone or with others, I make any invention, IBM will own such invention and all patent rights in it in accordance with law and I shall promptly disclose such invention to IBM. Any such invention which by law does not belong to IBM will belong to me.
- 7 I shall, at IBM's expense, do everything reasonably necessary to enable IBM to secure in any country patent protection for any invention owned by it and copyright and other rights to which IBM is entitled.
- 8 I have an interest in the following inventions and literary, artistic or other works previously made or created by me which are unpublished and, in the case of inventions, for which no patent application has been filed:

NONE

(If none write NONE; continue on separate sheet if necessary)

- 9 This is my entire agreement with IBM on this subject.
- 10 This Agreement shall be governed by English Law.

I hereby declare that I have read, understood and agree to the current terms of the Confidential Information, Copyright and Invention Agreement and that I have received and read the IBM booklet entitled "Business Conduct Guidelines" (UK Form No 8-472) which is being accepted. I understand the importance to IBM of the rules of conduct set out in the booklet and my responsibility to comply with those rules of conduct. I will discuss any questions I may have on them with my manager or with an IBM lawyer. It is understood that in signing this document I in no way give up any of my legal rights to protection against unfair dismissal.

I am returning a completed Personal Details Form (UK Form No 8-440) with this acceptance of offer.
